EXPLORER SCOUT UNIT

Directions To Goodmoor Hill Farm

From the top of BEWDLEY BYPASS carry on up LONG BANK on the A456 passed the RUNNING HORSE public house. Carry on past the WYRE FOREST Visitor's Centre until you come to the right fork with the A4117 CLEOBURY MORTIMER road.

Turn right onto the A4117 towards CLEOBURY MORTIMER and head towards FAR FOREST. Pass THE PLOUGH public house on your left and the village shop on your right. After the village shop take the next right (opposite the village hall) onto NEW ROAD.

Head down NEW ROAD and at the bottom the road swings left. As it does, turn right. Follow this (small) road for a couple of hundred meters before it turns sharp left (there is a junction straight in front of you). Follow the road round left and stay on this road. Do not take the right fork towards ROUNDHILL FARM but stay left. You will pass a caravan park on your right before you come to a sign for GOODMOOR HILL HOUSE.

Keep on the lane, over the old railway line and you will come out at GOODMOOR HILL FARM. If you follow the track left you will see some static caravans and an old telephone box. Park on the hard standing and walk down the hill. You will then see arrows pointing the way, but we are down the bottom of the site, in the woods, adjacent to the stream.
